

The Hepburn Howler

Edition #41 - FEBRUARY 7, 2020

MAYOR'S MESSAGE

Parks & Rec put on a New Year's Celebration event on December 31st at the arena with public skating, Kaiser tournament, chili cook off, karaoke, and other fun stuff. It was a fantastic evening of fun for all ages. *Great job Parks & Rec!* There was a fundraiser in January to raise money for the gazebo project put on by the Parks & Green Space Committee with desserts and fantastic entertainment. *Great job Parks & Green Space!* There was a Career Fair on January 30th put on by the Hepburn School organized by Renaye Zdunich. *Great job to the school and Renaye!* There is a Crokicurl ice sheet being made on Main Street. It will soon be ready to go and I invite people to come out and try the game that combines crokinole and curling. I love living in a town where Parks & Rec and other volunteer groups take pride in our community and are active in organizing events and festivals to be enjoyed by all ages. Winter Fest is coming up March 6-8 and Parks and Rec have a fun-filled weekend of events planned. Show your thanks and support to the volunteers in this community by coming out that weekend and enjoying the events.

Volunteering together. Volunteering for Hepburn
Mayor Jeff Peters

- **COUNCIL:** Jeff Peters (Mayor, Twin Rivers rep), Chris Becker (Councillor, EMO rep), Chris Crockett (Councillor, Fire/EMS rep), Ken Jeschke (Councillor, Parks & Rec rep), & Craig Kosowan (Councillor).
