

The Hepburn Howler

#42 - MARCH 4, 2020—WINTER FEST EDITION

MAYOR'S MESSAGE

Greetings! The purpose of Facebook is “to build community and bring the world together.” Facebook is a tool of communication, and like any tool, it can be used to help build or damage. My suggestion is to use Facebook as a tool to help build our wonderful community and circulate vital information and events. For all municipal questions and inquiries that require *discussion* with staff and council, please communicate directly with the **Town Office** via the website, email, phone, or an in-person visit. Regular Council meetings are held on the 3rd Wednesday of every month, and written *correspondence* will be added to the agenda for Council’s review and consideration. Residents are also welcome to be a *delegation* to Council meetings. Remember **Winter Fest** is this weekend March 6-8, so check out the **schedule** and plan to attend some of the many events. **Croki-curl** is also ready to “rock” so “button” up your jacket and try your luck at the game that is a combination of Croki-nole & Curling.

Building Community Together.

2nd ANNUAL JASON PETERSON TOURNAMENT UPDATE:

Submitted by Dean Sexsmith, Silver Hawks.

*Tourney Winner was: Langham All Stars

"First of all, it was once again a fantastic turn-
out, as the rink was full all day. Cole Peterson
had a hockey tournament in Prince Albert, so
unfortunately, Terri and the kids were not able
to make it this year. We also played a reduced
schedule due to the warm weather and each
team only had two games each, but fun was had
by all.

Last year, the Jason
Peterson "Into The
Wild" Scholarship
was awarded to Chase
Thompson. He was
awarded \$1000.00 and
he is currently using
toward a Heavy Duty
Mechanics course at

Saskatchewan Polytechnic. We have set it up so
that we can select multiple recipients or a single
recipient, depending on suitability"

*NOTE: Funds raised
from this EVENT go to

set up in honour of
community member,
Jason Peterson. Appli-
cation forms for 2020
