

# TOWN OF HEPBURN

November 2020

## Municipal Election

- Election Day - November 9, 2020 @ The Centre from 9am to 8pm. Bring photo identification. Masks are encouraged, and keep physical distance from other voters.

## How You Can Prevent a Sewer Line Backup

- **Do not** pour grease or cooking oil down the drain. Instead, scrape out or pour cooking oil and grease into a container or plastic bag and dispose of it in your kitchen garbage.
- **Do not** dispose of large absorbent items like paper towels, diapers, baby wipes, or feminine products down the toilet; these are not items that disintegrate like toilet paper will including "flushable" wipes. These products should be disposed of in your garbage.
- Kitchen garburators increase the amount of organic material in the service lines. Organic material can stick to the lines and over time cause blockages. Compost your organic material instead.

**To help prevent a sewer backup, be mindful of what goes down the drain.** Your pipes are not built to handle most food items and will almost always cause a blockage in the short or long term. When in doubt, properly dispose of these items by throwing them away.

## Civic Services during the COVID-19 Pandemic

The Town Office is open to the public; however, **please continue to utilize online and contactless options when possible. Please do NOT visit the town office if you are feeling unwell, experiencing flu-like symptoms, or have been in contact with someone who is presumptive or tested positive for COVID-19.** Residents and customers are encouraged to carry out transactions electronically such as online banking. Cheques may also be dropped off in the drop slot at the Town Office.

## Debris in Trees

The office has received multiple complaints regarding young persons gathering in the Hepburn Forest. Parents, please remind children about the importance of respecting public property. Let's work together to keep public spaces clean for everyone to enjoy.

## Can we contact you?

Please ensure that you have provided the Town Office with an updated **phone number and email address**. It is critical that the municipality have current contact information for all residents in the event of an emergency.

## Snow Fall....

**Friendly Reminder:** If there is a significant snow fall, please move vehicles parked on the streets to allow for the snow plough to pass by easily. Also, please be kind and remove your garbage and recycle hand carts as soon as possible to allow for effective snow removal.

**PROTECT YOURSELF and your LOVED ONES** this flu season

The flu vaccine is offered through public health clinics across the province, some physician and nurse practitioner offices, and in most pharmacies. Because some symptoms of the flu and COVID-19 are similar, testing is needed to confirm a diagnosis. If you are experiencing any flu or COVID-19 like symptoms, please do not visit a flu immunization clinic and call the HealthLine at 811.
