

THE HEPBURN HOWLER

August 2021

SaskEnergy's Tune-Up Assistance Program (TAP).

Given the current circumstances and the challenges the people of our communities are facing, SaskEnergy wants to reach and help as many people as possible with the TAP program. Until October 1, 2021 **income qualified homeowners** can apply for TAP. TAP is a program designed to help eligible homeowners with furnace maintenance and repairs by providing a free furnace inspection ("Home Heating Tune-Up"), 2 free furnace filters, a free carbon monoxide alarm and \$100 in repairs if required. It's a value of up to \$300, and really does provide members of our community with safety, education, and some peace of mind in the winter months. We always receive positive feedback from participants. A link to the program information and application is here: [Tune-Up Assistance Program \(TAP\) | SaskEnergy](#)

Property Taxes

Did you know that you can pay your taxes with online banking? Go to your online banking account and add the Town of Hepburn as a payee. To enter an account number, use the letter 'T' for Taxes, followed by a 0 and your **3 digit tax roll number**. Example: T0(Tax Roll Number). NOTE: Different banks may require more or less zeros.

Fire Ban

There is a fire ban in place for the Town of Hepburn until further notice.

Tree Trimming

Residents are reminded to keep trees trimmed along your property. Sidewalk areas are to be trimmed to edge of sidewalk to not encroach on pedestrians and at least 8 ft. high over sidewalks. Thank you for your cooperation.

Vaccination Clinic

There will be a Covid-19 Pfizer walk in vaccination clinic Wednesday August 4th at the Community Centre from 4-7PM. Please visit <http://www.saskhealthauthority.ca/> or email info@saskhealthauthority.ca with any questions regarding the vaccine clinic.

Animals

A reminder to please phone the town office during business hours, or the on-call phone 306-947-0000 after business hours if you see an animal running around town.

Slow Down in Town

Please be mindful when driving in town. Slow down when driving past parks and playgrounds. Side by sides, quads and dirtbikes should not be driven in town.

With the lack of rain back alleys are dusty. When driving down back alleys slow down so people can enjoy their back yards.

Welcome Ashton!

Hi! My name is Ashton Prescott and I am your new Facility & Event

Coordinator for the Community Centre. I was born and raised in Unity, SK and

have called Saskatoon home since 2006. I live there with my husband, son, daughter and two puppies. We like to spend our free time doing anything outdoors. I have been in the hospitality and events industry for 15 years and am so excited to bring this amazing space to life! I look forward to getting to know the community and meeting all of you!

Community Centre Rentals

The Hepburn Community Centre has multiple furnished boardroom, meeting, and event spaces available for rent.

Daily, weekly, and monthly rates offered. WIFI is included with all rentals.

Indoor & outdoor event space and gymnasium also available for rent. Email Ashton at events@hepburn.ca for more information.
