

Archery Courses

Learn Archery in a Safe and Fun Environment!

We are looking at offering an Archery program in your community.

These would be offered in 5-week sessions, 1-hour classes once a week. Sessions will run back-to-back all Fall, Winter and Spring.

Participants will learn about range safety and rules while learning and practicing the basic steps of archery. As the course progresses, we will also learn about competing in the sport of archery.

All the equipment is provided. We use high quality Genesis training bows in our class. The same equipment used in the NASP program. You are also welcome to use your own equipment.

I am a certified coach as well as a certified B.A.I.T. trainer for NASP. I have been coaching and instructing for over 27 years. I have experience coaching special needs athletes including, autistic, the visually impaired and wheelchair athletes. Many of my students have gone on to compete at provincial, national and world events and enjoy a lifetime of archery.

Registration for the 5-week course is \$100.00 plus gst = \$105.00

This is an all-ages program open to youth over 8 years of age, their Parents and Adults.

All skill levels welcome from beginner to advanced – we will work with you at your own level.
