

****Community Clean-Up Challenge Launched During Fair Days Weekend****

Starting **June 19, 2020**, participate in a local **Community Clean-Up Challenge**. Put on a pair of gloves and maybe a facemask and help keep local outdoor areas clean and beautiful. Please remember to properly recycle and dispose of trash after you are done your walk. You'll get some fresh air and enjoy those spaces much more, knowing that you made an impact on the places you love to spend your time.

Suggestions:

- Take a longer walk through and along the green spaces, trails, ditches, fences, roadways, ball diamond park area, etc.
- You could ask a local business if you can pick up garbage on or along their lot.
- Take your family for a short stroll around your own block.
- Donate recyclables to a local community group.
- Take a Photo and Enter a Contest. *Submit to the office: A) Take a photo of you and your crew, with your full waste bag. B) Include names of those who were in your group. C) The winner will be drawn from entries on June 29. D) Include the areas of town you visited on the map. Note: Photos will be included in the summer editions of the Howler.*
