

THE HEPBURN HOWLER

April 2023

Message from Town Council

As we turn the page on winter and prepare for spring, we at Council will soon see the election of a new Councillor to fill our vacant position. The election is being held April 26 at Heritage Common with an advance poll available on April 18 at the same location. Details are available on the town website. Please get out and vote on either date. Staff at the town office will soon be preparing for a relocation to their newly renovated space at Heritage Common. The move is scheduled for late spring or early summer. Once the move is complete, Council will look toward making the existing town office building available for sale and redevelopment as retail or office space. Stay tuned for details in the next few months. We are excited to see the opening of the Flowing Well Cafe on Railway Street East. Please stop by and check out their menu and fresh baked items. Warmer weather will see more people out and about, please drive with caution around pedestrians and puddles.

Councillor Neal Mihalicz

New Hospital Announcement

The New Rosthern Hospital project has received the green light!

Along with some of our Twin Rivers partners, and representatives from the Sask Valley Hospital Foundations,

we listened intently to the Provincial Budget. A budget allocation to begin extensive planning for the new hospital was announced!

A lot of work and time has brought us to this point, and we're on track! Thanks to everyone who has supported this project so far!
